JAMBOREE — 1960

Highlight of the Golden Jubilee, and of any Scout's experience, is the National Jamboree at Colorado Springs. More than 50,000 Scouts from all over the United States and the entire free world will be there in the shadow of Pike's Peak at the foot of the Rockies. You won't want to miss it either.

Now is the time to start planning for this once-in-a-lifetime adventure. Some Troops plan to go as an integral Unit, but all can have good representation, by deciding on it now and working out the method.

The Chicago Council contingent will leave via the Burlington Railroad on July 19th and take an extensive side trip around the Denver area. Included in the itinerary will be Lookout Mountain, Red Rocks Park, and the grave of Buffalo Bill Cody. Continuing on to the Colorado Springs site, our group will camp 10 days at the exciting Jamboree.

In addition to this special Jamboree trip, there will be a further opportunity for those who wish to combine this with a visit to Philmont Scout Ranch.

Leaders Sought Now

Slides and films of previous Jamborees are available for your use. See what a Jamboree really is and you will want to send your whole Unit and join them on the trip. Applications for Scouts, Explorers, and Leaders are available. Leaders are urged to submit their forms immediately.

Complete details on the whole Jamboree are now ready for you. Each District has a Jamboree Promotional Chairman who is anxious to work with you. Call on him for expert aid and advice.

Operation Patrick Henry

Judge Otto Kerner, Council Vice-president, has accepted the Chairmanship of an exciting new project. It will provide a wealth of goodwill ambassadors for Scouting and, at the same time, an unusual chance for selected Scouts and Explorers.

The program, known as "Operation Patrick Henry," will begin with a committee of outstanding civic leaders who have particular interest and ability in public speaking. Under the leadership of Judge Kerner, they will work with a representative group of Scouts and Explorers to coach and train them in this important skill.

Each participant will prepare a talk on Scouting. Those who develop into the most accomplished speakers will be chosen to represent the Council during Boy Scout Week. Arrangements will be made for each to speak before civic, fraternal, service, and religious organizations.

Complete "Operation Patrick Henry" details will be available soon. Meanwhile, you probably already know several young men whom you wish to alert to this opportunity.

FALL ROUNDUP

Fall is the most exciting season of the year. It is the beginning of a new Scouting year charged with outdoor adventure, Scouting skills and advancement, new friendships, and the thousand other thrills of participating in the inner circle of a fine Unit and its program.

SIDNEY WANZER

Especially this fall, which marks the start of the nation-wide celebration of Scouting's Golden Jubilee, the Jamboree, and colorful local events, every boy should be a Scout. To make this happen in the Chicago Council is the aim of Scout Commissioner Sidney Wanzer, III and his entire hard-working staff. Reporting on the Fall Roundup program, Mr. Wanzer stated, "It is the purpose of the Chicago Council to be of every possible help to our Cub, Boy Scout, and Explorer Unit Leaders. With this in mind, we have developed a simple yet effective twofold program to help get the year off to a flying start.

"First is an *Invite a Boy* drive which will give each leader the chance to fill up his ranks right away. The program will provide a free 'Recruiter' badge for each Scout who brings in a buddy between now and the end of the year. In addition, any boy who recruits five new members for his Unit will receive a Star Recruiter Award. Because full Units have a better Scouting experience, every Commissioner is anxious to help your Unit put this into action, now.

"Second is the *Commissioners' Roundup Award*. This beautiful five-color plaque will be presented by the Commissioner, early this fall, to your Unit in recognition of the membership pledge. He will determine, with each leader, goals in four major areas of Recruiting, Recognition, Activities, and Good Turn. A brightly colored 1959 HONOR BAR will be presented to mark success in any or all of these goals.

"This Roundup is a simple program based upon an agreement between the Unit and the Commissioner to help provide more boys the advantages of better Scouting. Its success at the start of our 50th Anniversary is important for the Council, each Unit, and most of all, for the thousands of boys who are waiting, right now, to be a part of all that Scouting means."

The strength of the Boy Scout movement lies in the tremendous resource it finds in thousands of able and willing volunteers. In the Unit, in the District, and in the Council is a reservoir of manpower which, when tapped, pours forth a flood of invaluable assistance for boys.

Perhaps a perfect example of the way in which people will roll up their sleeves to do a job for Scouting is the GANG SHOW. Just as any major Scouting project, its success depends on the cooperative efforts of many. But unlike some, it requires aid in a wide variety of fields in which ordinarily we don't operate.

The General Chairman, Robert Kinzig, has built a team of men who are doing a job which would be a credit to any theatrical enterprise.

The Production Chairman, Ray Blaike, is a man new to Scouting, but an old hand at getting big jobs done. His experience in efficient organization has created a working group eager to reach new heights. With him as Stage Management Chairman is good Scouter Harold Paradise whose experience of last year is serving the show well.

In charge of Physical Arrangements is Executive Board Member Jerrold Wexler. His aid in providing needed facilities already has been of great help and will enable the other committees to function at their best.

Working closely together are three outstanding Chicago business leaders whose professional talents will help produce an audience worthy of the other efforts. First is Attendance Chairman John Clayton, an advertising executive. Second is our Scout Commissioner Sid Wanzer as Participation Chairman, and finally, is ace publicist Edward R. Brooks, who is serving as Publicity Chairman. They will fill the theatre with the help of all our Scouts and leaders.

Chairman for Special Guests is William Harrison Petridge, and Chairman for the Souvenir Booklet is Robert Jordan. Their special talents are vital in special fields.

Working closely with all of these men is Council Activities Chairman, Dick Claire, whose efficient direction will insure a businesslike approach to all phases of the project.

All of these men, with the Council Staff and with Ralph Reader, originator and author of the GANG SHOW, merge into a single, effective operation which will achieve success.

No business organization could assemble so powerful a group of leaders or the many others who will be aiding them. And no amount of money would persuade any one of them to work harder than they are doing on behalf of boys.

If there is a moral to this story, it is a simple one. Surrounding each of our Scouting operations there are similar men. Once they are found and helped to understand what it is that Scouting can do for boys, they will give this kind of aid.

SUMMER CAMP — 1959 and 1960

One of the top adventures in any Scout's life is summer camp. Over 5,000 Chicago Council Scouts enjoyed a great experience in the past few weeks. Thomas M. Thomas, Chairman of the Camping Committee, reported that the Owasippe Camps showed an increase of 542 over last year for a total of 3,794 campers. The Kiwanis Reservation served 638 Scouts. In addition, there were numerous lone troop camps, moving camps, and high-adventure expeditions.

While boys remember fun, fellowship, and skills learned, we as leaders recall that Scouts learn much more than this in Camp. Because it is so important that every Scout have this opportunity to both enjoy and profit from summer camp, the Camping Committee, beginning July 1, 1959, provided an opportunity for Unit reservations for Council summer camps in 1960. It is expected that this long-range planning will enable many more Units to attend camp and help more Scouts within Units to save for this goal. It also will enable Units to insure space at a favorite site.

Before the close of the 1959 summer camp season, 28 Units with a total of over 500 Scouts, had registered for the next year.

Commenting on this season's operation, Mr. Thomas pointed to several factors which had helped create the outstanding success.

The permanent staff was more mature and better trained. All employed staff was seventeen years or older. The entire staff completed a National Camp School of the Boy Scouts of America.

New equipment was well received. Additional kitchen equipment such as gas fired griddles and toasters enabled the camps to serve even better food in a wider variety. Further, new stainless steel cutlery and new table service was provided in all camps. New high pressure hot water systems, as well as more new hike equipment, were provided. A new, completely equipped central Health Lodge, staffed with a nurse in residence was established at Wolverine Lake.

At Camp West all new aluminum boats, first in seventeen years, new tents, new cots, new tent platforms, and water piped to the campsites helped make the Medicine Drum Camp a great success.

In this special Patrol camp, Scouts proved that Patrols cooking their own meals, Green Bar planning their own program and directing their own activities produces an outstanding camp. Of course, they were under the watchful eye of especially trained leadership including a Camp Director, two watermasters, five Scoutmasters, five Assistant Scoutmasters, five Senior Patrol Leaders and a dietitian and two cooks. Scouts, leaders, and visitors all agreed, "This is real Scouting!"

There were even new washing machines and playground equipment at Family Camp. This was provided by good friends of Scouting.

All in all, more than \$25,000 has been spent in the past 18 months to improve program. These are your contribution dollars at work.

Organization and Extension

The opportunity for all boys to be in Scouting is the obligation of every Scouter. Helping train men and women to organize Cub Packs, Scout Troops and Explorer Units, will be the goal of the Organizers' Conference.

It will be held Saturday, September 19th, 8:30 A.M. to 5:00 P.M. at Valley View Training Reservation. Cost, including meals, is \$2.00 per person.

Robert D. Stuart, Jr., Organization & Extension Chairman, invited men and women to register for the Conference through their District O. & E. Chairman or District Executive.

Heading the organization training for Cubbing is John Grooms; for Boy Scouting is Sylvester White, and for Exploring is Robert Ladwig.

In charge of registration is George Boylan. John Schwank is Physical Arrangements Chairman and Al Lesko is Program Chairman. The Promotional Chairman is Earl Ronneberg.

Mr. Stuart stated, "This is an important meeting. Only by providing more 'service stations' can more boys be served. Many outstanding leaders are serving on the committees to ensure rich program. Neighborhood Commissioners, training personnel, and other interested Scouters are urged to participate."

BENEFIT HORSE SHOW

Well over 75,000 boys and 25,000 adults are active in the Chicago Council annually. Providing the funds to carry on the Scouting program for our large membership is no easy endeavor. Many of us work hard, together, to do this necessary job.

Joining in the task, now, is a new Women's Division of the Chicago Council. These civic leaders have undertaken an important task. They are sponsoring a Benefit Horse Show at the International Amphitheatre on Friday, November 27th.

Through the generosity of the International Livestock Exposition, the Women's Division will sponsor the Opening Night. This is excellent entertainment and one of the prime social functions of the season.

Among those active in this "Good Turn" for the Boy Scouts are:

Mrs. Warner G. Baird, Jr., Chairman, and Mrs. Robert G. Anderson, Benefit Chairman. Also, Mesdames Kenneth P. Becker, Alys F. Bennett, Richard Bennett, William R. Blew, William E. Bowman, Arthur R. Cahill, Barton Cameron, William G. Caples, David R. Condon, Richard P. Connette and E. A. Cooper. Also, Mesdames W. J. Cummings, Jr., Kent W. Duncan, Marshall Field, Jr., Fred German, John A. Graham, Jr., William C. T. Hyer, Earl Kribben, John T. Landreth, John J. McDonough, Henry Meers, Edward Petersen, Doris K. Precil and Thomas R. Reeves.

Also, Mesdames Bryan S. Reid, Jr., William Remo, Robert W. Reneker, Harper Richards, George L. Seaton, William D. Shorey, Joseph C. Sibley, Jr., William Stenson, Jr., C. Conover Talbot, Thomas M. Thomas, Barrett Wendell, Harry Youngquist, and Morton Zurcher.

THE GOLDEN JUBILEE

For fifty years the Boy Scouts of America has been making an impact on America. More than 33,500,000 boys and men have taken the Scout Oath in that time.

Now we, and all America, are about to celebrate the anniversary. This autumn really initiates the activities which will continue throughout the nation and here in the Chicago Council during all of 1960.

Appointed as the Chairman of the Golden Jubilee observance, Scout Commissioner Sidney Wanzer, III, stated, "This milestone in the Scouting movement deserves the interest of the whole community. Your Council will coordinate its program with the nation-wide plans to give the entire public and every member a Golden Jubilee worthy of Scouting."

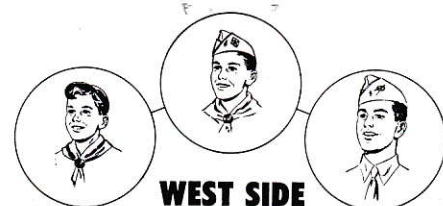

Pointing out that this unique anniversary would result in a momentous year of outstanding program, he called on every Cub Pack, Boy Scout Troop, and Explorer Unit to rise to the occasion. He urged every committee, every leader, and every Scout to accept a twofold, personal challenge for the Jubilee:

First, that every person in every Unit invite every boy in the neighborhood to join the fun of Scouting for the Jubilee.

Second, that each Unit plan its program to include a wide variety of its own Jubilee events and to take full advantage of Council and national activities as well.

Some of the events which have been considered for special Jubilee observance include a Council-wide Pot Luck Appreciation Dinner in January, a greatly expanded Boy Scout Week Celebration including a TV show as well as "Operation Patrick Henry," special Finance Campaign Lunch-O-Rees, Jubilee Explorer Ball, Jubilee Meeting of National Council in Washington, D. C., the 5th National Jamboree in Colorado Springs, a Council-wide Jubilee Rally for Scouts, a Cub Pack Backyard Jubilee, a Philmont Trek, special summer camp observances, National Get-Out-the-Vote Campaign, a Jubilee Explorer Field Day, and similar events.

Actively integrating these into a well-planned Unit program will make the Jubilee Year indeed golden in the lives of our Scouts.

THE GANG SHOW

Twenty-two great acts of the best, all-original, musical numbers—the all-Scout flavor—the comedy, color and costumes—the fast-moving fun—will bring every Scout and leader to the 1959 GANG SHOW.

Chicago's best show will run Friday, October 23rd through Saturday, October 31st at the Austin Auditorium, 231 N. Pine Avenue.

Ticket Opportunity

There is even more to the GANG SHOW than personal fun. It's a big chance for every Cub, Boy Scout, and Explorer to become a trained salesman, win prizes for himself and earn money for his Unit.

Using the exchange coupon plan, everyone can learn the art of salesmanship. Friends, neighbors, and relatives will appreciate the chance to see the GANG SHOW.

Selling Scouting

It is a great opportunity to let the general public learn more about our Scouting program. Both the sales approach and the GANG SHOW itself will tell our story.

Sales Plan

For every ten exchange coupons sold, a GANG SHOW emblem will be awarded. Also, the top District salesman will win special prizes such as a bicycle, two weeks at camp, or a reservation fee for the National Jamboree or Philmont.

In addition, everyone can win MYSTERY PRIZES. Hundreds of certificates for valuable prizes will be placed in homes in every neighborhood. The first boy who calls at the home in uniform will get the Mystery Prize Certificate.

Cash Commission

Every Unit needs extra equipment and resource. In addition to all of the individual salesman prizes, the Unit can receive up to 25% of all monies turned in.

Complete information, sales training, and exchange coupons can be obtained from the District GANG SHOW Sales Manager.

GIANT POT-LUCK DINNER

Officially launching the festivities of Scouting's Golden Jubilee here will be a giant Pot-Luck Dinner, Saturday, January 30, 1960. On recommendation of the Activities Committee, it will be the first of this magnitude ever held by the Chicago Council. It is expected that thousands of Scout leaders will join in the Council-wide gathering at the Stockyards International Amphitheatre.

Tables for 10 persons will be \$7.50. Each table of 10 will bring their own pot-luck meal and the table decorations they desire. Many Unit Committees are planning to express appreciation of their Unit leader and his lady by inviting them to be special guests and presenting a certificate or other token of thanks for their leadership.

Silver Beaver Awards will be a high spot of the program which will include top entertainment features, an outstanding speaker on Scouting, and a 1960 Finance Campaign report from all Districts.

Table locations will be made on the basis of, "First come, first assigned" — except that all paid reservations received on or before December 15th will be treated as first priority and will be arranged with everyone from a given District seated at adjoining tables. Reservations after that date cannot be guaranteed the same location as the rest of the District, but will be assigned to space in the order received.

You will get further information from your District officials — but in the meantime, organize your Unit party. Make your reservations promptly to get a high priority location — and begin to plan your menu and decorations.

This is the "must" occasion of the Jubilee year.

Council Coordinated Meeting

Last spring's highly successful Coordinated Meeting of all the Operating Committees of the Council, plus the Commissioner Staff and a number of Advisory Committees, will be repeated.

On Monday evening, October 5th, the various groups will meet. It is expected that there will be a brief general gathering and the regular individual meetings.

Every Scouter is reminded that these committees, and your District Committee, are anxious to have the benefit of your opinion. Action recommended is the result of needs as they are made known.

Council Jamboree Chairman

The Chairman of the Chicago Council Committee for the 5th National Jamboree at Colorado Springs is Allen W. Mathis, Vice-president of Club Aluminum Products Company.

ALLEN MATHIS

Announcing the appointment, Executive Board Chairman George Seaton stated, "As a member of the Council Executive Board for a long period of time, as a successful civic and business leader, and as one who himself attended previous National and International Jamborees as a Scout, Allen Mathis is well qualified to lead our contingent to the best Jamboree experience we have ever enjoyed."

EAGLE CEREMONIAL

The 1959 Eagle Class will be held Sunday, November 8th, at Dunbar High School, 3000 South Parkway.

We are fortunate to have Joseph Wright, President of Zenith Radio Corp., as sponsor.

The Patron for this Class is the Peoples Gas Light & Coke Company.

1960 FINANCE CAMPAIGN

Council Finance Campaign Chairman, Allen P. Stults, reports that organization efforts are making progress. Pointing up the fact that the earlier a well organized campaign is developed, the easier the campaign will be, he stated that many key campaigners were already at work building their organization.

He announced that Spencer D. Moseley, last year's Campaign Chairman, had accepted the Chairmanship of the new Lunch-O-Ree program. Richard S. Claire is Chairman of Foundations and Henry W. Meers is Chairman of the Prospects & Evaluation Committee.

The Chairman of the General Business & Industry Group is Edwin A. Locke, Jr., president, Union Tank Car Company and Vice-chairman is Angus Macdonald, Vice-president of Quaker Oats. A number of key men have already been recruited in this area.

Special Gifts Chairman is Henry P. Isham, Jr., Treasurer of Clearing Industrial District. Serving with him as Special Gifts Vice-chairman is John Hussey, Vice-president, Foote, Cone & Belding.

The Area "C" Chairman is James Corey of Mutual National Bank.

District Campaign Chairmen have already been reported from seven Districts. They are:

Indian Boundary—A. W. Netterstrom, 5007 W. Argyle
Midwest—Clayton Banzhaf, 925 South Homan
Frontier—John Leon, 1811 North Tripp
Lincoln Park—Virgil Gunlock, Chicago Transit Authority, Merchandise Mart Plaza

NEW FACES

The Chicago Council is happy to welcome a number of career men as they join our Scouting family. Serving in the Thunderbird District is Arthur Allen who comes to us after a rich experience in the West Suburban Council, LaGrange, Ill.

The new District Executive of the Calumet District is Don Rylander. He was a very successful District Executive in the Headwater Council, Hibbing, Minnesota.

In addition, Charles Rowell, George Hansen, and Wilbur Johnson have been given various temporary training assignments. Each of these men has recently returned from the National Training School for Scout Executives where they made fine records.
